### School Description

Lincoln Street School provides an independent study option for students in grades Transitional Kindergarten through eight. Our school program serves families in 14 districts within Tehama County and is a voluntary program.

Our goal is to meet or exceed the quality of education offered in area classrooms, and to provide a program of excellence for students taught at home. Ours is a small school, with an average enrollment of 100 or less. Our teachers meet weekly or bi-weekly with students and their families to provide instruction and guide their learning. A well-rounded program is offered, with emphasis on the core subjects, and with opportunities to explore interests in the arts, the environment, and physical education.

### Mission Statement

At Lincoln Street School, our goal is to inspire students, empower parents, and promote a life-long love for learning. We create an environment where academic success is personalized and achievable. Parents work with credentialed teachers to implement an Independent Study program following a homeschooling model; enriching, challenging, and inspiring students.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Our school is located on Lincoln Street in Red Bluff, adjacent to the Tehama County Department of Education building. The 2014-15 school year began in this newly constructed facility. This facility provides a welcoming center, conference room, teacher/family consultation offices, library, science/art room and two large meeting areas. The building was built using green construction combining energy conservation with aesthetics.

Children are almost always accompanied by their parents when they come to school to meet with a teacher or attend an activity. The Lincoln Street School library/media center is located within the new facility, providing easy access for all of our students, parents, and staff. A large assembly room and smaller meeting rooms are available within the Tehama County Department of Education complex when needed for Lincoln Street activities or professional development.

Lincoln Street School is cleaned on a daily basis. Safety inspections are conducted monthly to ensure that the site is clean and safe. Maintenance staff ensures that all repairs necessary to keep the site in good repair are completed in a timely manner. A Maintenance Request Form is used to ensure efficient service on any and all site related issues.

The table below displays the results of the most recently completed school site inspection to determine the school facility's good repair status. The inspection was completed in November of 2020.

### School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

#### Grades Three through Eight and Grade Eleven

##### Percentage of Students Meeting or Exceeding the State Standard

Subject	School 18-19	School 19-20	District 18-19	District 19-20	State 18-19	State 19-20
ELA	39	N/A	23	N/A	50	N/A
Math	23	N/A	13	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

Parents are highly involved in their children’s education at Lincoln Street School. Parents work closely with their students on a daily basis and frequently with Lincoln Street teachers and staff. Under the guidance of supervising teachers, parents teach their children at home and are provided with the necessary curriculum and tools to do so. Parents are also included in field trips and may volunteer to serve the school in many ways. Opportunities are also provided for parents to gather to exchange ideas with each other. Surveys to students and parents are given annually as an additional opportunity for input. A parent serves on the Lincoln Street Governance Committee as a voting member.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

#### School Safety Plan (School Year 2020-2021)

The School Safety Plan names crisis team members and outlines their responsibilities. It provides procedures to follow in case of any school emergency including, but not limited to, fire, an intruder on campus, natural disasters, chemical spills, and civil disturbances. The plan contains information on how and where to move the students for safety if circumstances make such a move necessary. Safety drills are completed throughout the school year. The school has a safety committee composed of school staff, district staff, administration and parents, which meets to make recommendations to the Governance Committee to needed safety policies.

### Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.0	0.0	0.0	0.0	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

### Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0	0	
Expulsions	0	0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

### D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

#### Ratio of Pupils to Academic Counselor (School Year 2019-2020)

Title	Ratio
Academic Counselor*	0

\*One full time equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

\*Number of classes indicates how many classes fall into each size category (a range of total students per class).

\*\* "Other" category is for multi-grade level classes.

### Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	3

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

During each of the last three school years, three days have been provided for professional development. Because our teachers are responsible for nine grade levels, curriculum is an on-going focus. Time is spent each year on subject area adoptions. The California Consortium for Independent Study is a forum for teacher collaboration on a regional and statewide basis, and our teachers attend the annual state meeting. The California Charter School Association holds an annual conference that our teachers attend every other year. Our teachers also attend workshops and extended courses offered by the county offices of education and by CSU, Chico. They have been a part of curriculum task forces and technology education. Two teachers attended A-Plus+ Conference, a personalized learning conference for independent study schools. In addition, a few teachers attended the History-Social Science toolkit and curriculum preview. A focus on Social-Emotional Learning is providing additional professional development through the County Department of Education and online forums.

### Types of Services Funded

Lincoln Street School does not receive Title I federal funding. The Lincoln Street School funding provides instructional staff, services and support, school clubs, school supplies and materials for in-school and at-home use, and parent involvement /training.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
