**Call to Order** Meeting called to order at 3:38 P.M. by Sara Smith.

**Roll Call and Pledge of Allegiance** Due to a virtual meeting it was voted to waive the pledge of allegiance.

**Audience with Groups and/or Individuals to Speak** There were no groups and/or individuals wishing to address the Board at this meeting.

**Public Hearing: Learning Continuity and Attendance Plan** The Learning Continuity and Attendance Plan (LCP) replaced the LCAP for the 2020-2021 school year. The plan addresses the pupil learning loss during the COVID-19 shutdown and budget revisions.

Lincoln Street School's goal is to prevent pupil learning loss while also providing resources to families who are facing difficulties through the pandemic. We distributed a survey out to each of our families. The purpose of the survey was to understand the academic effects of the school shutdown and to gauge their social and emotional wellbeing. Although, very few students felt they experienced any learning loss, the results showed that our families have experienced social and emotional effects from the shutdown.

Our Family Success Liaison, Andrea, is working hard to provide support and resources to our families. She has begun to organize virtual opportunities for our families to meet on a regular basis in order to help meet their social and emotional needs.

LSS is providing a virtual learning experience to our students. We are operating very similar to before the pandemic, except that we are holding some meetings virtually vs. in-person to help meet the needs of our families.

Some families come to LSS behind on coursework and we are working hard to avoid any further pupil learning loss as we get them caught up. We are using both curriculum and on-site assessments to support assess our students.

**Next Meeting Date** The next meeting will be held on Wednesday, September 24, 2020 at 3:30 P.M.

**Adjournment** There being no further business, the meeting was adjourned at 4:00 P.M.
