5th-9th No School

14th Family Night

15th, 22nd, 23rd SBAC

Test Prep

23rd DER Due

26th-30th SBAC

Testing

BUSY AND FEELING FINE

You've Got This!

March was busy and we have a feeling April and May will be busy too. The last days of school will be fast approaching. We would really like to encourage ALL parents to join our Parent Advisory Committee because this is your school and we really value your input. This is your opportunity to help shape how things are ran and the services offered. Parent Advisory helps us to evaluate our goals, provide input on potential changes to our school, etc. We could really use more voices. At our March meeting, we looked at our goals and discussed how well we were able to implement them. We truly value your opinions and thoughts. We have a meeting coming up April 19th at 3:00 pm and hope you can make it. Our priority at Lincoln Street is to connect, learn, and grow together.

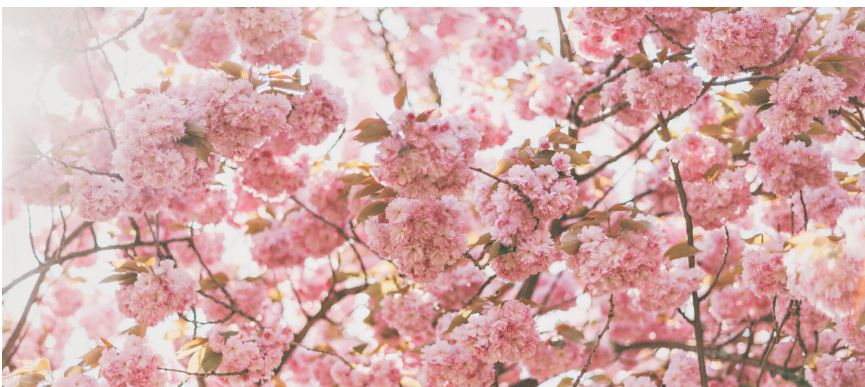

Virtual Family Night was a TON OF FUN! We laughed, listened to Andrea's silly mom jokes, played lots of BINGO, and saw faces we haven't seen in a while. We gave away A LOT of prizes too. Our next virtual family night is April 14th. You definitely want in on this!

A WORD FROM MR. PETERSON

"It has been really nice to work with students on our virtual clubs. Working with people is the whole reason we get into this work. Art has been fun for me as a learner and a presenter. I am learning how to be a better artist while I teach.

I'm looking forward to the possibility of more in-person interactions and the opportunities for the students to work together again!"

My name is Madeline Hillaire. I am in seventh grade at Lincoln Street School. Lincoln Street School provides many opportunities for learning but allows me to still be homeschooled. My teacher, Dana Brent, has been very helpful and supportive for the past 8 years. Math and science are my two favorite subjects because I like to solve problems. I plan on going to college to get my degree in math or science. My interests include reading mysteries, playing games, tap dancing, playing piano and softball. I have camped my way through 47 states and enjoy seeing and learning new things.

Maddie is our ACSA Tehama Star Student-of-the-Year. We are very proud to have Maddie at Lincoln Street.

She goes above and beyond to help her community, works really hard in school, and is a real joy to be around. We want to congratulate you, Maddie, for a job well done!

STATUS MEETING, THURSDAY @4:00PM

Want to learn about Oral Health and Tobacco?

JOIN US!

YOU COULD WIN A STARBUCKS GIFT
CARD IF YOU PARTICIPATE.

*5th-8th
grade*
